- 3 PRESCRIBE = RESULTS**

Okay, so what does the workflow look like?

Jamie Kyei-Frimpong, Nurse Practitioner at
Dr. Pedre Wellness, New York City

"I see over half of our practice's patients each day and the ability to share information with Dr. Pedre has saved us countless hours when devising a supplement plan. It's quick and everything is in one place."

Let us help you get started at fullscript.com/demo

* Based on a recent study concluding that admin staff using Fullscript will not only cut costs and save time, but actually *generate an additional 183.32% revenue on average per year* for the practice.
