

PERFECT PROTEIN

New Formulation

WHY BOTANICA'S PERFECT PROTEIN?

- 20g plant-based, whole food, organic protein
- Complete balance of amino acids including 3458 mg BCAAs
- Easy to Digest: free of peas, soy and legumes
- Allergen friendly: no gluten, dairy or corn
- Great taste!
- Ideal for the whole family & those with sensitive tummies

Suggested use
1 scoop daily

3 SIMPLE KEY INGREDIENTS

WHAT'S NEW?

Three small changes that make a world of difference to taste and texture:

1. Replaced our organic Coconut Powder with **organic Coconut Milk Powder**
2. Small addition of **organic Acacia Gum**
 - A fibre that is an excellent natural emulsifier, tolerated by even the most sensitive tummy
3. A splash of monk fruit juice powder for very mild sweetness
