

The Science of a Healthier Life®

Youthful Legs

Item #02252 • 60 softgels

Supports healthy veins & youthful leg appearance

Our Youthful Legs supplement helps maintain healthy circulation in leg veins and youthful leg appearance using a micronized extract of sweet orange peel, which promotes healthy, comfortable legs.

- Supports healthy circulation in leg veins
- Helps promote healthy & comfortable legs
- Helps inhibit inflammatory factors to support vascular health
- Helps maintain tone & elasticity of leg veins

The complex circulatory system in our legs can weaken with age. But diosmin extract from orange peels has been shown to encourage leg circulation and comfort by helping to maintain tone and elasticity of your leg veins.

Healthy legs are a beautiful thing

Encouraging healthy, beautiful legs all comes down to your vascular system. In addition to encouraging youthful vascular tone and elasticity, diosmin helps inhibit inflammatory factors to support vascular health. Help your customers take care of aging legs with Youthful Legs.

Our Youthful Legs supplement helps maintain healthy circulation in leg veins and promotes healthy, comfortable legs using a micronized extract of sweet orange peel.
