

MARINE COLLAGEN

4200 mg Hydrolyzed Collagen Peptides + 45 mg Vitamin C

Nordic Naturals® Marine Collagen delivers bioactive type I collagen peptides from sustainable, wild-caught Arctic cod. These small, hydrolyzed peptides are easily absorbed and help stimulate the body's own collagen-producing cells.* Added natural vitamin C from acerola fruit provides antioxidant support and aids in normal collagen formation.*

- ✓ Type I collagen from sustainable wild-caught Arctic cod
- ✓ Mild strawberry flavor, no fishy taste
- ✓ Dissolves easily in warm or cold liquids
- ✓ Small, hydrolyzed peptides are easily absorbed by the body*
- ✓ Helps stimulate the body's own collagen-producing cells*
- ✓ Provides antioxidant support and aids in normal collagen formation*
